

Announcing: A New Group for Teens

OAKS ST. (System for Teens): A new program through Adopt America Network to connect the local teenage (12-18) population who are living with kin, are foster youth, or who have been adopted.

This connection through OAKS ST. will promote the overall well-being of the teens through physical activity, nutritional education, and mental health. By connecting youth who have experienced similar experiences we hope to build not only strong, healthy, resilient youth; but also families who can be positively impacted by these natural supports that will be built through OAKS ST.

Welcome to OAKS ST.

Group will Meet Monthly every last Wednesday of the month

5:30 pm – 6:45 pm

In-person- **Dinner is Provided!**

Adopt America Network Office
3100 W. Central Ave., Suite 225
Toledo, OH 43606

OAKS ST.

GROUP FOR
